

HELPING VETERANS IN NEW JERSEY TODAY!

Home Quest's mission is to honor our veterans by creating permanent and affordable housing facilities for those who have given so much to our country — You can help us give back!

Every night in New Jersey, over 6,500 veterans are in need of permanent housing. Currently, less than 2% of this need is being met with transitional housing.

Please make a donation today to help continue the fight for those who have fought for us!

VETERANS' POINT AT THE GATES AT SOMERS POINT

"It's time that each and every soldier and their families get the chance to walk through the Gates at Somers Point, and enjoy the fruits of the life they so proudly deserve!"

The goal of this program is to provide finally, for each and every Veteran, a permanent place to call home. It's time for Veterans to know they can enjoy a home near the shore, to be able to send their children to excellent schools, to be welcomed with dignity into a community that is proud of and honored by their service to our country.

With newly renovated 1- and 2-bedroom apartments, Veterans' Point at the Gates offers the very first permanent housing in the State of New Jersey for veterans and their families. All veterans, and families of active-duty military members, are encouraged to apply for housing at this beautiful property.

Supportive services will be available on-site with common areas for tenants use. Rental subsidies accepted.

"A VETERAN IS SOMEONE WHO, AT SOME POINT IN THEIR LIFE, WROTE A BLANK CHECK TO THE UNITED STATES OF AMERICA FOR AN AMOUNT UP TO AND INCLUDING THEIR LIFE."
